Marble Tile may be susceptible to scratching in handling and installation, as well as use. Expect variation of color from production run to production run. Please refer to the TCNA HANDBOOK for more specific information regarding installation.

SEALING

This product should be sealed with Fila's MP90 or a similar product as recommended by the manufacturer. Before applying the sealer to the installation, test it on a small area.

MAINTENANCE

Use a non-abrasive cloth and neutral detergents for cleaning. Avoid acid detergents, chemicals and solvents.
