aturalé wood mosaics

CobsA-usA Naturalé wood mosaic tiles juxtapose exotic flair with an earthy elegance for a truly unique expression of sophistication and style. Extraordinarily beautiful and durable, these real wood mosaic tiles are so versatile, they can be used almost anywhere... walls, floors, backsplashes, fireplaces... even wet areas such as showers. Mix and match the handsome wood grains with a variety of specially designed epoxy grout for a complete decorative presentation.

Available in five distinctive wood varieties — Teak, Doussié, Roveré, Acéro and Wengé; two formats — 1" x 1" and 3" x 1" on a 12" x 12" mesh sheet; plus a bonus — Naturalé wood mosaic tiles offer unlimited design opportunities for both residential and commercial installations.

Tempt yourself with the alluring style of Naturalé wood mosaic tiles from CobsA-usA.

Product Information

Naturalé wood mosaic tiles are easy to install and maintain. Naturalé tile can be cut like porcelain tile, requires no additional sealing unless cutting inserts and can be polished like any other wood flooring material.

Laticrete® epoxy grout is recommended for installation and is warranted for Naturalé tiles.

Special installation instructions are available.
